

Infant Hearing Clinics

Children identified as deaf or hard of hearing may receive audiology services at the following Infant Hearing Program audiology clinics across the City of Toronto.

- [Audiology clinic locations](#)

The following infant hearing clinic locations are available for those children who did not receive their hearing screening and for those who need a follow-up appointment.

To book an appointment, please call Toronto Preschool Speech and Language Services at 416-338-8255 (voice) / 416-338-0025 (TTY).
